## Spotlight on Kolomna

*Коломна – город, пронизанный историей, творчеством и определенной самобытностью. Именно здесь можно отведать вкуснейшие калачи и пастилу, погулять по улочкам XV-XVI веков и полюбоваться на древние храмы, стены которых видели самого Дмитрия Донского.*

*Коломна внесла, как и многие российские города, огромный вклад в приближение Победы: тут ковалось оружие, конструировались ракеты, готовилось продовольственное снабжение для советской Армии.*

*Заслуги города были отмечены Президентом Российской Федерации, Путиным В.В., в указе № 304 от 20 мая 2021 г. «О присвоении почетного звания Российской Федерации «Город трудовой доблести». Президент отметил «значительный вклад жителей в достижение Победы в Великой Отечественной войне 1941–1945 годов, обеспечение бесперебойного производства военной и гражданской продукции на промышленных предприятиях, проявленные при этом массовый трудовой героизм и самоотверженность».*

*Как учителя английского языка мы с коллегами всегда стараемся донести до обучающихся максимально подробно историю родного города, рассказать о заслугах жителей, памятных местах и событиях. Для нас крайне важно обучать и воспитывать школьников в любви и уважении к родной Коломне.*

*Именно поэтому мы с радостью представляем Вам, дорогой читатель, третий сборник цикла Spotlight on..., в котором мы делаем акцент на задания формата ГИА (ОГЭ и ЕГЭ).*

*Сборник подготовлен для того, чтобы, даже готовясь к Итоговой аттестации, обучающиеся 9 и 11 класса могли глубже погрузиться в тему, узнать новые интересные факты, которые пригодятся и в других дисциплинах (связь с историей, географией и биологией прослеживается во всех текстах пособия).*

*Выражаем благодарность Центру Лингвистического Образования АО «Издательство «Просвещение» за помощь, поддержку и методическое сопровождение деятельности Городского методического объединения учителей иностранных языков Г.о. Коломна!*
